**APPLICATION**

You have access to software and over 1000 documents in more than 20 languages thanks to the DOCUTHEK document library. You can load the documents and software on to your computer.

As a guest you have direct access to product brochures, product ranges and technical brochures and operating instructions.

As a registered user you can use all the functions of the DOCUTHEK. You have extended access to CAD data, certificates, burner diagrams, animations and other document types.

You also have the opportunity to be informed of new and amended documents by e-mail every month.

Use of DOCUTHEK is free of charge.

You can search for documents and types of document in the language you require using the search function.

DOCUTHEK can be started using your Internet browser.

- Online access to current documents and software on the Internet
- Information about new additions and changes sent by e-mail
- User interface available in German, English or French as desired
- Registered users have access to all documents.
