To whom it may concern:

Subject: European Union Directive 2011/65/EU (RoHS) as amended by 2015/863

Honeywell Process Solutions (HPS) is committed to its compliance with European Union Directive 2011/65/EU Restriction of Hazardous Substances (RoHS). Our compliance includes the following amendment: Directive (EU) 2015/863 amending ANNEX II on 31 March 2015 for additions to the restricted substance list.

As part of our ongoing compliance commitment, we have completed a process to identify which, if any, RoHS restricted substances as listed in Annex II of the directive are contained within the products that we supply to you.

This communication applies to the product(s) listed in Appendix 1 below, and details, to the best of our knowledge, the content of any RoHS restricted substance(s) in the product(s) present above the threshold level as stated in Annex II of the directive.

Where an *Application exemption* is provided to the product by either Annex III or Annex IV of the directive (as amended) then this is also indicated in Appendix 1.

Sincerely,

Wilhelm Homann
Director Engineering
Honeywell Thermal Solutions
Honeywell Process Solutions (HPS)
