

# Eclipse BV-PAK-II Packaged Butterfly Valve & Actuator

**DATA SHEET** 

Edition 02.22

The Eclipse BV-PAK-II is a packaged solution that makes ordering simple and installation efficient. It is typically used for the regulation of air or fuel-gas in combustion systems where it serves as the control element in a temperature control loop. It does not provide tight shut-off. The assembly offers a Kromschröder IC20/IC40 series, Honeywell Modutrol actuator and Honeywell MN75 actuator mounted to a butterfly valve with a support, fasteners and a coupling.

#### **Installation Notes**

- Make sure the area is clean and prevent contaminants from entering the valve and piping.
- Take steps to prevent dropping the assembly.
- Allow space for removing the actuator cover and accessing wiring.
- Provide support for the piping and assembly in accordance with local codes.
- Do not use the actuator or bracket for holding or turning points.
- Hold the BV-Pak-II assembly stationary with a pipe wrench at the valve body end nearest to the pipe while turning the pipe into the threads.
- Refer to appropriate documentation for Kromschröder IC20/IC40 series, Honeywell Modutrol and Honeywell

MN75 technical information for wiring and setting the actuator.

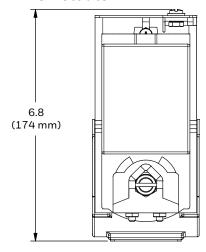

- Attaching actuators to 75deg valves must be done with care since they open in one direction only and have a hard stop.
- Actuator options for direct drive or linkage type available.

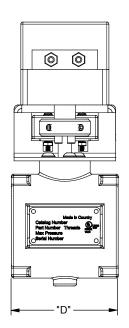

Parameter*	Specification				
Pipe Size	1/2 to 4 inch				
Thread Type	NPT or Rc				
Flow Port	Full, Reduced or High-Drop				
Disc Shutter	75° Beveled or 360° Non- Beveled				
Power Supply	120 VAC or 230 VAC, +10 %/- 15 %, 50/60 Hz, 24 V AC/DC				
Drive Signal	Analog (0-20 mA, 4-20 mA, 0-10 V, Pot); Digital (2/3/4 Position Step)				
Orientation	IC20/IC40: Perpendicular or Parallel to pipe Modutrol and MN75: single standard orientation				
Manual Language	English, German, Spanish or Mandarin				
Enviroment	IP65/NEMA3				
Temperature	-20 to +60 °C (0 to 140 °F)				

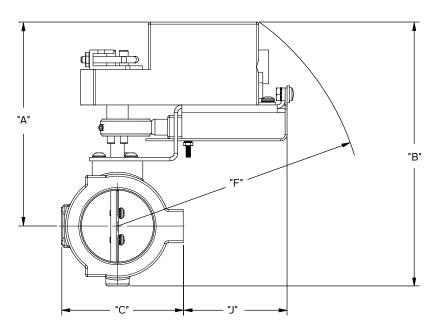

\* Refer to Instruction Manuals and Datasheets for more specification details.

## **Dimensions**

## MN75 Actuator

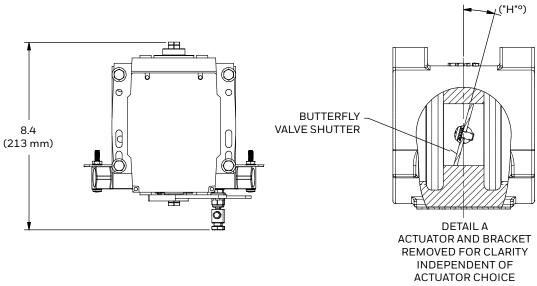

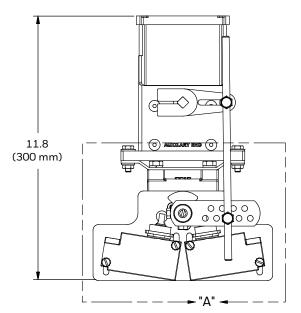

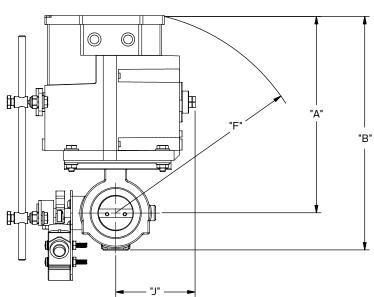

Model	"A"	"B"	"C"	"D"	"F"	"J"	NPT	BSP
