

Certificate Holder DECLARATION of Conformity

(As per Clause 6.5 of the GTRC GAS EQUIPMENT CERTIFICATION SCHEME – “The Rules”)

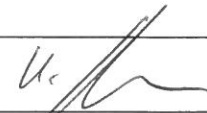

AGA Certificate Number(s)	9024
---------------------------	-------------

<i>Certificate Holder Name</i>
Elster GmbH, Postfach 2809, 49018 Osnabrück, Strothweg 1, 49504 Lotte, Germany

Declares that:

- (a) Suitable systems are in place to ensure that *Production Units* manufactured and supplied under coverage of the above referenced *Certificate* conform in every respect to the *Certified Design*.
- (b) The markings on *Production Units* are consistent with information set out on the *Certificate* issued by The Australian Gas Association.
- (c) Every *Production Unit* meets the requirements of the *Standards* to which it has been *Certified*.
- (d) Every *Production Unit* is safe.

Italicised words in this form bear the same meaning as in The Rules Governing – The AGA Product Certification Scheme - For Type Tested Gas Products.
